PUCK'S POSTCARD

CARTE POSTALE.

By Appointment.

The Residency (General View), Lucknow. The Residency Building is a ruin, though a very beautiful one. It is possible to ascend the staircase of the [illegible] where throughout the siege (11th June—17th November, 1857) the British flag was kept flying.

"Flying at top of the roofs in the ghastly siege of Lucknow,
Shot through the staff or the halyard, but ever we raised thee anew,
And ever upon the topmost roof the Banner of England blew."
